S-A BUDGET MESSAGE W.S. 16-4-104(d)

The Platte County Weed and Pest is submitting the 2018/2019 proposed budget. At this time all numbers are calculated using actual figures from July 1, 2017 through February 28th, 2018 with estimates from March 1st through June 30th of 2018.

Adjustments to the order and placement of various expense accounts were made for simplicity.

The Platte County Weed and Pest Investment Policy states: "Money not necessary for immediate use may be kept in investment accounts in accordance with the State of Wyoming statutory requirements" (W.S. 9-4-831 as amended). A copy of the entire Platte County Weed and Pest Investment Policy is on hand at the Platte County Weed and Pest District Office.

Upon further reflection, and recommendation from the Department of Audit, certain funds were not deemed reserves but free cash for operations. They are now recorded as cash and not reserves.

We do not anticipate any unusual expenditures in the new fiscal year. One new ATV will be purchased through the Special Management Account.

The cost share programs have been successful and we plan to continue these programs in order to provide service to all Platte County residents and to encourage noxious weed and pest control by the landowners themselves.

We are requesting one full mill for the Special Management Account for the continued programs that significantly benefit Platte County. One mill levy is sufficient for budget needs for the year.

S-B RESERVE DESCRIPTION

The PCWP holds emergency reserve funds for unexpected weed or pest outbreaks that exceed the normal yearly costs. Our expected reserve amount at the end of FYE 2018 is \$30,514.
