(a) Any person required to register a vehicle in Wyoming pursuant to W.S. 31-2-201 may apply to the University of Wyoming for a statement of eligibility for distinctive University of Wyoming license plates for any motor vehicle owned by the applicant upon registration of the vehicle. Upon payment by the applicant of a fee of one hundred dollars (\$100.00) established and assessed by the University of Wyoming, the university shall issue a written statement of eligibility for University of Wyoming license plates. Application shall be made at least thirty (30) days before registration of the vehicle expires. Any fees collected under this section shall be payable to the University of Wyoming, shall be deposited in a separate account and are continuously appropriated for use as provided in W.S. 21-17-118. The fee authorized under this section may be increased annually up to the percentage increase as shown by the Wyoming cost-of-living index as determined by the division of economic analysis of the department of administration and information.

(b) License plates issued under this section shall be displayed upon the vehicle for which they are issued.

(c) Except as provided in this section, application for, issuance and renewal of University of Wyoming license plates shall be subject to the same requirements and fees as provided in this article. The (\$30.00) fee required under W.S. 31-3-102(a)(viii) shall accompany each application.

(d) The department shall prescribe the design of the special license plate authorized by this section, which shall include an image of the bucking horse and rider as described in W.S. 8-3-117, in consultation with the University of Wyoming, the University of Wyoming Alumni Association and the secretary of state's office, and arrange for production of the license plates. Following initial approval, University of Wyoming plates shall be subject to redesign on the same schedule as all license plates beginning with the year 2017 reissuance. The license plates shall be issued by the county treasurer of each county.

(e) The department may prepare any special forms and issue any rules and regulations necessary to carry out this section.

(f) Unless one thousand (1,000) sets of license plates are issued under this section before December 31, 2016, the plate authorized under this section shall be eliminated from production and the department shall report the cessation of production to the legislature not later than January 15, 2017.
